

## Tent Camping

Tent camping only takes place in the campground which can accommodate up to 30 (girls and adults). Six tents can be set up on the five tent sites (four smaller and one larger site). The larger site can accommodate 2 smaller or one larger tent. Any additional usage must be pre-approved through the site manager.

One porta-potty is provided for weekend use between April 1<sup>st</sup> and September 31<sup>st</sup>. The unit is serviced by the vendor and located between the campground and the parking lot. Four picnic tables and two fire rings are located in the center of the campground between the tent sites. The fire rings have cooking grates and the entire area is graveled. Four picnic tables and two fire rings are located in the center of the campground between the tent sites. The fire rings have cooking grates and the entire area is graveled.

A bear box is provided by the entrance to the campground. Any food should be stored here. Bears raccoons, skunks and coyotes have been seen on the property.
